

Pastoral Position

Ashe Presbyterian Church
Jefferson, NC

Description:

We are a fairly new church with less than 50 members. We have a new facility and are debt free. We are located in Jeffeson, NC in beautiful Ashe county. The area is surrounded by beautiful mountains, great golf courses and an hour away from ski areas. We have been without a pastor for three months but we have filled the pulpit with some great preachers. The area churches are mostly Baptist with some Methodist and USA Presbyterian. We are looking for a pastor that holds to the reform position and clearly and simply presents that to his hearers.
