Annual General Budget:	\$859,501 (2009)	Five years ago:	\$768,010 (2005)
Annual per capita giving:	\$ 1,597 (2009)	Five years ago:	\$ 1,466 (2005)

LOCATION

We are in Charlotte, the largest city in North Carolina, at the intersection of Charlotte's outer belt road, interstate 485, and highway 49 in northeast Charlotte on 30 acres. We are .4 miles from the University of North Carolina at Charlotte, one of the largest state universities in N.C. Our community is a growing suburban area with a diverse urban flavor that has seen a great shift from rural farming to numerous new neighborhoods in the past 30 years.

CAMPUS

Our original sanctuary was built in 1870 with bricks that were made by hand on site and is still used today. The current sanctuary was constructed in 1970 and rebuilt after a fire in 1974. We have a two-story education building that was completed in 1982. Our most recent addition, in 1995, was a Family Life Center that contains a full size basketball court, suspended walking track, a commercial kitchen and additional classrooms. In 2000 Back Creek Church placed modular units on our property that are utilized as well all of the permanent buildings by the Back Creek Christian Academy, (245 students, kindergarten through 8th grade). We also are blessed to have a soccer field, a softball/baseball diamond and a large barn with a brick paver floor that we use for picnics and outdoor events.

ACTIVITIES

The week at Back Creek Church begins with worship services at 8:30, 9:45, and 11:00. The 8:30 and 11:00 services are contemporary music and the 9:45 is traditional music. Sunday School classes meet at either 9:45 or 11:00. Currently Grace International a Kenyan Church Plant meets in our original sanctuary on Sunday afternoons. During the school year we have the academy and a pre-school. Weekly we have small group bible studies. A children's program also meets on Wednesday evenings. Other groups we host are; an active Back Creek Women's program, Young at Heart, Boy Scouts, Girl Scouts, local homeowners groups, Upward Basketball league, and evening adult basketball.

FUTURE

In early 2009 the session determined that Back Creek needed to better define its vision for the future. Reverend Ken Priddy was contacted through Outreach North America to guide the church through the process. A Vision Team, 9 church members that represent a cross section of the church and the senior pastor, spent more than nine months and over 800 hours seeking God's will for the future. The position Pastor of Spiritual Growth was an outcome of this vision process.

Back Creek's Vision:

We believe God has called BCC to reach the lost of our University City community by ministering the gospel to young families, single parent families and singles who, like us, are broken, feel condemned and are living under the myth of being self-sufficient and independent.

This team continues to meet regularly to monitor and implement the vision.
