Princeton Presbyterian (PCA) is a growing church with a growing vision of what our ministry with students could look like as we move into the future!! We recently celebrated our 25th anniversary and are presently in the midst of a facility expansion to enable further ministry opportunities available through PPC. Our mission is to help students grow in outreach, maturity, service and numbers through the teaching, application and sharing of the Gospel of Jesus Christ!! We are a warm, friendly congregation that has a strong emphasis on the Bible, prayer and worship. We strive to worship God with joy and enthusiasm and encourage others to draw closer to Him by bringing people into a relationship with Jesus and helping them grow in Christ-like maturity.
