

## **New Hope Presbyterian Church English Ministry Pastor**

New Hope represents a truly exciting and attractive ministry field. Located in Clarence, a suburb of Buffalo, near University at Buffalo and many other schools and with increasing young Asian American population, the possibilities for ministry are vast. New Hope is seeking a Christ-loving, gospel-centered pastor with passion for God's kingdom and experiences in Asian American and Multi-ethnic young-adult ministry. New Hope is a Korean Presbyterian Church with English Ministry congregation that is highly diverse and energetic, with wonderful, long-established tradition of a thriving college ministry. It desires to grow and become a healthy church that God will greatly use for His kingdom. We are seeking a pastor who will oversee and develop the entire English Ministry, so that it will not stay merely a college & young adult group within a Korean church, but become a truly autonomous and dynamic congregation, with a long-term vision of achieving the Duplex Model within New Hope.
