

1 **OVERTURE 5** from Northwest Georgia Presbytery (to MNA)
2 "Include Fannin and Gilmer Counties in Northwest Georgia Presbytery"
3

4 **Whereas**, the Northwest Georgia Presbytery was formed out of North Georgia Presbytery in
5 the fall of 2006; and
6

7 **Whereas**, in its definition of its boundary Northwest Georgia Presbytery failed to include
8 two counties of northwest Georgia which have no particularized Presbyterian Church
9 in America (PCA) churches; and
10

11 **Whereas**, Tennessee Valley Presbytery has begun a new work in Fannin County in which
12 they are willing to cooperate with Northwest Georgia Presbytery in assuming that
13 work in the near future to which they will separately attest; and
14

15 **Whereas**, Northwest Georgia Presbytery now desires to count within our boundaries these
16 two counties which have no particularized PCA churches and are neither a part of
17 nor claimed by any other PCA presbytery;
18

19 **Therefore**, The Northwest Georgia Presbytery now overtures the 36th General Assembly to
20 add the counties of Fannin and Gilmer to our presbytery boundaries.
