The Area / The Church:

Grace PCA is located in Pardeeville (cool name huh?) Wisconsin, 30 minutes north of Madison. People in the area work in local schools & businesses, commute to Madison, or farm. The area is really beautiful, and a cool place to live—especially in winter. People here need the Lord; they need Christian friends who love the gospel, and they need Christ-centered, Bible-saturated, God-worshiping churches. Grace Presbyterian Church is that kind of place; we're people with a lot of love. The church is 20 years young. We have been historically strong in youth ministry, we enjoy blended Christ-centered worship, we are biblically Reformed. Average attendance is around 150. Along with Wisconsin Presbytery we have a strong desire to plant churches across our region.
