

Brothers,

It is our pleasure to invite all qualified candidates to apply for the newly opened position of Pastor of Christ Presbyterian Church, Santa Barbara, CA. Please post this on the PCA web site. To shed some light on our church, the location and our expectations of the Teaching Elder we have developed a number of information resources that can be found on our web site (www.cpcsb.org).

First: Christ Presbyterian Church, Santa Barbara Philosophy of Ministry

This document is a summary of the thinking of the CPC Session (currently five active Ruling Elders) that we believe reflects our distinctive place in the work of the Kingdom of God.

Second: Pastor Qualification Summary

This document provides a brief overview of our hopes for the next Teaching Elder as we have thoughtfully prioritized our assessment of the role of Pastor at CPC.

Third: Santa Barbara Summary

This document provides an overview of our city, its strengths, and its challenges. The unique nature of our region will require a person uniquely capable of taking the Gospel to a people that think about spirituality but rarely take a Biblical perspective seriously.

Fourth: An example of our Worship Service

This recording is provided to illustrate the current content and style of our worship. Christ Presbyterian has a distinctive, Reformed, worship liturgy. We don't avoid the old or the new.

Applicants may send their Ministry Data Form, and a letter that summarizes why they believe they would be qualified to:
