Job Description (information limited to the box size)

Sand Harbor is seeking a Senior Pastor to re-launch our congregation. We started about ten years ago in this northern Palm Beach suburb and have only had one senior pastor in that period. Our founding pastor has heeded a call elsewhere, which requires that we seek a new senior pastor. Our congregation emphasizes reformed worship and teaching, the sacraments, the catechism of our children, and a vibrant praise and worship. We also believe in mission outreach and building up the body through Christian education, adult Sunday school, and home fellowships. Our congregation is currently between 60 and 80 people, made up of approximately 20% to 30% over the age of fifty, and about 25% to 30% children up to teenage years.

We are looking for someone who is mature in the faith, who has been a senior pastor of another Presbyterian church, married with or without children. Our next pastor should be gifted in teaching, preaching, and leadership and should share our emphasis on Christian education.

The general area of our church, Jupiter/Tequesta, is a suburban, middle-class, mostly Caucasian neighborhood, with a growing Hispanic population. Salary ranges will be competitive and can be discussed with qualified candidates.
