Job Description (information limited to the box size)

We are a very small church and are looking for a man of God who desires a part-time ministry. This man could be retired or working at another job. We desire a man who would deliver a message from the Bible on Sunday mornings and also participate, in Sunday Morning Prayer meeting and Sunday School and Tuesday evening prayer/ Bible study. As our Shepherd, he should participate in a limited amount of visiting and encouraging the flock. Our congregation consists of 26 members on our active role and 4 on the inactive role. We have one Ruling Elder, and he and the Session of Village PCA in New Bern are acting as our Session.
