

Worship Arts Internship Grace Presbyterian Church of Silicon Valley

Grace Church

Grace Church (gracepres.com) seeks to spread the Gospel of Jesus Christ to the region of Silicon Valley in Northern California. Our hope and goal is to multiply communities by planting churches and multiplying worship sites throughout the Bay Area that gather and nurture faithful disciples of Christ who scatter into their local context in order to see the seeds of the gospel sown in the lives of others. Part of our strategy to grow the presence of the church is through being a multi-site church, allowing us to localize into smaller communities while drawing on the resources of being a larger church.

Grace Worship Arts

Worship Arts is a vital part of that mission, as we regularly gather together God's people into his presence while also bearing witness to his glory for the watching world. We unite our voices with those of the worldwide church today and of the historic church, drawing upon the richness of the worship of God's people throughout the ages.

Job Duties and Responsibilities

The role of Worship Arts Intern at Grace Church is comprised of both Creative/Artistic tasks and Administrative tasks. The primary role will be to lead worship weekly for part of our congregation, along the way allowing opportunities to test various gifts in ministry while serving in a growing and thriving community.

Creative/Artistic:

- Lead congregational singing at a weekly service, primarily at our South Bay site
- Work with teams of musicians at each site, cultivating musical excellence and artistic expression through Sunday rehearsals
- Work with Pastor of Worship Arts to cultivate Grace Creates ministry building community among artists at Grace Church

Administrative:

- Attend monthly Grace Church staff meetings
- Collaborate weekly with Pastor of Worship Arts to plan services, choose songs, and develop identity for each site
- Oversee weekly liturgy production (creation, formatting, printing)
- Communicate weekly with musicians

Skills and Character Qualities Needed

- Bachelor's degree
- Previous worship leading experience
- Leadership abilities – Creativity, Dependability, Humility, and Teachability
- Ability to work collaboratively inside and with a growing organization

- Willingness to engage in creative conflict

This role is being considered for part-time or full-time employment, with a minimum commitment of 12 months. Grace Church will pay an appropriate salary based on experience that will enable you to live in and explore Silicon Valley and the broader Bay Area.
