Description:

The session (elders) of Trinity Church Kailua (PCA) is seeking an individual to fill the position of Music Director and Chief Musician. We are a suburban church in Windward Oahu planted in 1977. Comprised of locals, mainland transplants and military families, we are a blended church seeking to minister as a cross-cultural mission to the many cultures present in our island home. Being driven by scripture in all we do, our vision is to see the fresh power of God's grace intersect in our daily lives with the goal that others become our priority and the Kingdom of Jesus Christ grows by faith working through love.

Our worship music style is blended, comprising hymns, re-written hymns and new songs. Much of the music we presently sing is from [Indelible Grace](#), [Sovereign Grace](#), and various [independent artists](#) including [Nathan Partain](#), [Luke Morton](#), and [Seattle Hymn Project](#). These songs fit within a liturgical structure designed to help us communicate and emotionally connect with the story of the gospel.

We are seeking a musically talented, emotionally present musician who is willing and able to minister in a theologically driven way. We are open to flexing our worship style around the gifts of our worship leader. Responsibilities would include leading Sunday worship, scheduling, leading and mentoring volunteer musicians, song selection, coordinating practice sessions, and preparation of all materials. The Session desires that the candidate would work with the pastors to infuse all of these activities with a gospel culture.

The position could be combined with other areas of ministry for additional salary if so desired. Areas could include youth, small groups, mercy ministry, community events, outreach or arts.

Those interested should send a cover letter, resume, a one-page statement on philosophy of worship, and contact information for three references to:
