

Village Seven Presbyterian Church in Colorado Springs, CO is seeking a full-time Children's Discipleship Director.

The purpose of this position is to make, equip and deploy young disciples who live out and proclaim the Gospel through word and deed by supporting the families of V7PC and engaging the church family in its ministry to children.

Our philosophy of children's ministry is summarized in the following seven principles:

- 1) Scripture is foundational – Because Scripture is the Word of God, we seek to align our teaching, philosophy, and methodology to it. 2 Timothy 3:16-17
- 2) Family is primary – We believe that parents are the chief disciplers of their children. Deuteronomy 6:6-7, Ephesians 6:4
- 3) Church is critical – We believe that children grow into spiritual maturity when part of a body of believers. Because children are fully part of the church, they are called and gifted to participate in worship, instruction, fellowship, and service. The church needs the gifts and contributions of its children to be the healthiest it can. Ephesians 4:11-16
- 4) Relationally oriented – We desire to be a caring presence in the life of every child. Not less than, but certainly more than, a program and curriculum, we desire to provide shepherding adults for our children.
- 5) Variety of Leaders – We believe it takes a team of people with an assortment of talents, personalities, and abilities to appropriately minister to children.
- 6) Variety of Learners – We believe that each child is uniquely created and that we must develop our discipleship strategy with this in mind.
- 7) Contextually Appropriate – We believe that it is our job to bring the truth of the Gospel to bear on the particular context that our children have been placed.

Responsibilities will include developing, implementing, and refining a strategy that will equip the children of Village Seven as disciples of Christ. Desirable candidates will have a demonstrated passion for children's ministry and experience in equipping adults to disciple children.
