## **Guitarist/Vocal Leader Position Description**

### **Introduction:**

Covenant Presbyterian Church is a member church of the PCA (Presbyterian Church in America) denomination, located in Cherry Hill, New Jersey, a suburb of Philadelphia. We believe that the life of the believer is summed up in the act of worship of the one true God. Sunday morning worship should be the climax of our weeklong worship as individuals in thoughts, words and deeds (Romans 12:1,2). We believe God centered worship transcends style and trends, is culturally aware, uses the best music of all ages, and is both formative and expressive. Therefore, our worship is neither contemporary nor traditional, but one that firmly grounds us in our Biblical Reformed heritage, yet invites and draws a diversity of cultures as well as the unchurched.
