

# Assistant Pastor

## Church of the Cross Whitefish, Montana

PCA Mission Church

*Are you an adventurer? Do you love the outdoors? Is a good day a day of exertion and discovery? Like new friends with broad ideas? Are you an initiator? Does life “inside the box” sound a little boring? Does the idea of church planting excite? Sound like you? Read on.*

Church of the Cross is a mission church of the Presbyterian Church in America located in lovely Whitefish, Montana. Want to know more about Whitefish? Check out [www.explorewhitefish.com](http://www.explorewhitefish.com) to give yourself an idea about this amazing little town. It's a tremendous place to call home!

Here in Whitefish only about 20% of the population is associated with a local church. We are in the early days of planting which means we are in the gathering phase. We are here to share the reason for our hope and to proclaim Christ broadly, boldly, and winsomely to those with whom we have relationship. This is a position for a young man/family who is willing to spend a great deal of time *pursuing* relationships with those outside of the church, *engaging* in relationships within the church, and *working* bi-vocationally to provide a portion of his salary.

Church of the Cross  
Aaron J. Scott, Church Planter
