

A Brief Introduction to City-Wide Redeemer Church

CWR is a reformed PCA fellowship in North Las Vegas, Nevada – one of only two PCA congregations in all of Las Vegas. We are a close-knit and diverse group of civilians, military, and Civil Service families of all ages joined together in love for the Glory of God. Since our founding in 2007, we've sought to bring the light of Jesus Christ to our surrounding community, and we've learned a great deal during that time. We've learned that our community is incredibly transient, and that North Las Vegas, in particular, is even more transient due to the prevalence of military families - many of which have called CWR home for a season. Our Core families tend to relocate away from our community every other year, inhibiting growth and leadership preservation within the congregation.

Even now, our small congregation of dedicated and loving members and families struggle to find a direction to follow. We are seeking to call a Pastor who possesses an abundance of natural leadership ability and who loves more than anything to preach the word of God and to teach the life-changing power of the Scriptures. Ideally, we are seeking a Pastor with church-planting abilities or experience to come along side us as we work to realize the vision we believe God has set before us for CWR. We desire to grow our fellowship and to reach the unreached within our immediate community; our future Pastor should have one eye on the person in the pew and another eye on the empty seat, inspiring our evangelism efforts for the Lord while we learn together. With a smaller membership, we have become very task-oriented, and so we are also seeking the joy of more godly fellowship with one another, desiring connection - not just on Sunday, but throughout the week, with Christ-centered activities and study opportunities under the leadership of our Pastor.

Our fellowship has shared a significant relationship with a ministry in Haiti. Through the Haiti missions, the Lord began working in the hearts of some of our members, who then opened the very first Christian Federally Qualified Health Center in the most medically underserved part of Las Vegas. These have been an important part of CWR's past, but we also desire to call a Pastor who can bring their own ideas and passions into our fold. We welcome Christ's vision as shared by our future Pastor as we follow whatever twists and turns the Lord leads us through.

Despite our many setbacks, we believe God has a plan for the future of City Wide and we are excited to see what he has in store for us. We hope that our forward struggles will soon be behind us as we seek to follow Christ's direction under the leadership, teaching, and guidance of our new Pastor. We pray God's blessing upon all such men who empathize with our story and feel led by Him to contact us. We are eager to connect with you and share more about our passion and hope for the future.
