JOB Description:

Lillian Fellowship is seeking the Lords leading in our search for a Pastor to lead the Members & Regular Attenders in their endeavor to Worship our Living God. Currently we believe that \$75k would be the upper limit for TOTAL Compensation. Moving expenses to be determined.

As Lillian Fellowship is a retirement community, there is currently no need for any Children's Ministry's as most if not all young people are visiting their grandparents. At any given time a large number of the congregation may be traveling or have family visiting. Very seldom are there any real financial issues as the Members & Regular Attenders are faithful in their giving.

Our founding Pastor who left after 9 years is sorely missed and was successful in bringing together an eclectic group from different backgrounds and creating and sustaining a Reformed Fellowship who is now seeking to become Particularized within the PCA and accordingly the individual should be Ordained or Ordain-able within the PCA.

The congregation sees growth not as a program, but as an outgrowth of our individual contentedness, maturity and single-minded focus on our Lord and Savior. As such we seek an individual who will help us in our journey and encourage each of us as we strive to fulfill our Lord's commands.
