

Description of Organization

Founded in 1888, Shearer Presbyterian is thoroughly reformed in our teaching, have strong familial ties to the Mt. Mourne/Mooresville/Davidson area, and are approximately 160 members strong.

We are currently experiencing a transitional period where we are blessed with more young'uns under age seven than we can effectively minister to in a deliberate, Biblical way, and are therefore seeking somebody with skills working with young children to build and grow this ministry for our community on a part-time basis. New ideas are welcome, and as long as it is Biblical, this church leader will be given a free hand by the Session to conduct duties as best serves the available talent and understood needs.
