

Overview

Young Meadows Presbyterian Church, PCA, in Montgomery, Alabama is currently seeking its next senior pastor. Beginning as a church plant of Trinity Presbyterian Church with its first meeting in 1993, YM now has grown to a body of over 500 members. Located in the center of Montgomery, YM now holds three Sunday morning services including two traditional services and one contemporary service.

Montgomery, a city of roughly 200,000, is continuing to seek growth and revitalization of its downtown and riverfront. Some of the notable qualities of the city include its commitment to the arts with the Alabama Shakespeare Festival and numerous dance companies, two Air Force Bases that bring in airmen from all over the world, and a rich history as a hub for the Civil Rights Movement with historic events like the Bus Boycott or the March From Selma.

Pastor Profile:

In light of the above snapshot of Young Meadows, we are currently seeking a candidate to fill the role of Senior Pastor that is...

A Man of Prayer...

YM is looking for a pastor who is himself a man committed to seeing God work through prayer. This person must show a commitment to personal prayer in his own life. As we want to be prayer-dependent as a church, this candidate will also be a part of challenging the congregation to faithful prayer.

A Man of the Word...

YM is looking for a man who faithfully and rightly divides the Word of God. The candidate ought to be a strong exegetical preacher who is able to connect the power of the Word with the needs of the congregation. This includes being in charge of the preaching calendar, coordinating with other pastors on staff in the preaching rotation, and growing discipleship programs in the church to see every member able to handle the Word.

A Man Led by the Spirit...

YM is looking for a man who is not merely pragmatic in his leadership but is reliant on the Spirit's leading even if it means taking the congregation to new and uncomfortable places.

A Man of Mission...

YM is looking for a man who lives his life living intentionally, mission-minded. This includes faithfully pursuing evangelistic efforts in his own life as well as spurring on a culture of evangelism in the church. This person will also have a heart for missions as evidenced in his participation in missions as well as challenging the congregation to missions. This person will help the congregation see how to be on mission as well; in their own jobs, neighborhoods, and community. We are looking for a man who is able to connect with the needs of the community and have a passion for how YM can engage in the unique struggles of Montgomery.

And A Man of Vision.

YM is looking for a man who leads from vision to vision. The session has spent the last two years crafting a new vision for this church. We are looking for a man who is able to partner with the session to lead from this vision but also be able to see how YM can continue to grow in the future towards what God would have for us. This person needs to be able to cast vision for the congregation and live in light of it himself.
