

Assistant Pastor

Role:

To assist the pastor, under the guidance of the session, in all pastoral tasks and ministries, bearing special responsibility for worship leading and youth discipleship.

Overview of Responsibilities:

- To assist the pastor in shepherding the congregation through prayer, teaching, preaching, discipleship
- To oversee all aspects of the music and worship ministry of the church, including the coordinating of volunteers, the managing of equipment, and the leading of music
- To work with families to develop more intentional discipleship for the middle- and high-school students of the church
- Other tasks as assigned by the pastor

Expectations:

- This is a full-time position.
- The applicant must either be ordained in the PCA or otherwise be pursuing ordination through the PCA.
- Though the role entails certain specific areas of focus, it nevertheless entails all aspects of pastoral ministry.
