

New Life Church of Vicenza is a small mission church of the PCA.

The church is located in Vicenza, Italy, near a large U.S. Army base which has approximately 15,000 U.S. military service members, dependents, and government contractors. The church currently has approximately 35 in regular attendance, which is actually a decent size given the transient nature of the ministry here (military members stay 2-3 years and then rotate out).

The church is an English-speaking ministry geared to Americans and English-speaking Italians who live in the local area. Eventually we have a vision to start an Italian speaking service, but that is dependent on finding someone who can speak fluently enough to preach in Italian. We currently have a very good worship space that we rent.

More details about the church can be found at our website: [www.newlifevicenza.org](http://www.newlifevicenza.org)

We are looking for a man who is either PCA ordained or ordainable to replace the current pastor, who is looking to receive a call back to the U.S. due to family reasons.

It will likely take a couple of years for the qualified candidate to be able to do all that is necessary to be able to come to Italy in terms of securing visas, and also raising the necessary support. In terms of support raising, much will depend on the size of the family of the candidate. For a married couple with no children, we would counsel raising at least \$65,000 per year for salary package. The church is currently in a strong financial position, and may be able to help offset some of that. If children, there are a number of factors to consider that could make it difficult to come over, such as schooling. The candidate will have to research that to see if it would still be something they could manage.
