

**HOLY CROSS**  
PRESBYTERIAN CHURCH

Holy Cross Presbyterian Church is seeking an Assistant Pastor for our Next Generation. Holy Cross is a growing, 10 year old church in the beautiful Shenandoah Valley of Virginia. Our Next Generation Pastor will oversee all of the aspects of our ministries to kids from birth to high school graduation. He will need to be able to develop and grow a student ministry to serve our growing congregation.

Holy Cross is full of kids. In a congregation of nearly 200, almost 100 of those are children and the vast majority of those are in the newborn to 5th grade range. Our Next Generation Pastor will need to both minister to the 20 or so middle and high school students and lay a foundation for the scores who will be in that demographic soon.

We are looking for someone who is highly relational, evangelistic, and entrepreneurial. He needs to love kids and want to see them and their friends come to know Christ. He must be able to work with both men and women to accomplish the mission of helping our kids Encounter Jesus, Know Jesus, and Show Jesus. He must be able to function on a staff team and not be afraid of feedback.

Please send your cover letter and resume electronically to [search@holycrosspca.org](mailto:search@holycrosspca.org) along with electronic versions of or links to two sermons. Please submit all your documents with your last name and first name as the first two words of the file name (i.e. smith.john.resume).

Thank you. We look forward to seeing if God is bringing you to join us on mission here in Staunton!
