

## Women's Ministry Staff Profile

***Christian Medical Ministry of Alabama (CMMA)***, a ministry of Briarwood Presbyterian Church PCA, Birmingham, Alabama, in partnership with ***Christian Medical & Dental Associations (CMDA)***, is prayerfully seeking a female to work full-time in ministry to the graduate student healthcare community of Birmingham in preparation for further responsibilities with CMDA in the future. CMMA & CMDA are ministries of evangelism and discipleship in the healthcare community, with a primary focus on those training in medicine, dentistry, physical and occupational therapy, etc. This job is a one-year internship in the Birmingham ministry of CMMA, with a focus on learning to disciple women in the healthcare schools. The goal is to prepare this person for greater responsibilities in a CMDA ministry in another city, location to be determined in consultation with all concerned during the intern year.

We are looking for women with a passion to minister to women through small groups and one-on-one. It is desired that this person should already have some experience in student ministry or otherwise have the maturity or experience that demonstrates the ability to minister in the graduate community. She must be willing to learn the nuances of doing ministry among graduate healthcare students.
