

Stephen Ministries is a not-for-profit Christian training and educational organization founded in 1975. It supports ministry in more than 13,000 congregations, representing 180 denominations, from the U.S., Canada, and 30 other countries.

Our mission is:

To equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ.

Ephesians 4:12-13

The 40-person staff of Stephen Ministries carries out this mission by developing and delivering high-quality, Christ-centered training and resources. These materials provide equipping and support in many areas, including caring ministry, grief support, spiritual gifts, ministry mobilization, inactive member ministry, church antagonism, assertiveness, caring evangelism, and more.
