

MITCHELL ROAD
PRESBYTERIAN CHURCH, PCA

Dear Applicant,

Thank you for your interest in the 2020 Summer Internship Program at Mitchell Road Presbyterian Church, PCA in Greenville, South Carolina. We are seeking men and women who are committed to following Christ and have a desire to care for students. As you pray and thoughtfully consider if this is what God has for you this summer, please complete the enclosed material and have a pastor and peer fill out the attached reference sheets. We will contact you once your application is received.

Summer interns are an invaluable resource to our ministry. A summer intern has the unique opportunity to invest in the lives of our young people and have an incredible impact on advancing the kingdom for Christ. While you are serving our students, our desire is also to offer an encouraging environment that enhances and develops your skills and gifts as you discern the Lord's calling on your life.

The salary for our summer intern program is \$3,400.00 for the May 26th-July 31st time period along with \$100 gas compensation and an additional expense account to be used for spending time with students. Also, if you do not live in the Greenville area, we will provide a host family for you during your summer of service.

Enclosed you will find an application and other information regarding the program. Please feel free to contact us if you have any questions. When you've completed your application, please email it to our Administrative Assistant, Debbie Billings (dbillings@mitchellroad.org). Thank you for your interest. May our Lord guide and bless you.

In Christ,
