

*The gospel is the heartbeat of Sonlight Church in Lynden, Washington. It is where we find our identity. It is what motivates us to love our neighbors. It is what frees us to Glorify God and enjoy Him forever. This love for the gospel compels us to plant modern Gospel-centered churches in the Lynden and surrounding area. With full-financial support for the first year to develop fundraising, network, and establish the Church Plant, this is an exciting opportunity to reach the unchurched and de-churched of our community.*

*Does this vision spark your interest? If so, please check us out our Church Planter position at <https://www.sonlightchurch.com/church-planting>.*
