

Faith Presbyterian Church (PCA)

of Northfield, NJ

Faith Presbyterian Church is seeking a pastor to replace our current pastor of 40 years as he is planning to retire. We need someone who will preach the word of God, lead and teach us, has a heart for growing God's church, and wants a welcoming church family.

Faith Presbyterian Church is one of 10 churches (and 2 mission churches) in the Central and South New Jersey Presbytery of the Presbyterian Church in America (PCA). We are located just outside of Atlantic City and about 60 minutes from Philadelphia, PA. We meet in the American Legion post of Northfield. We care about our neighbors and our community.

We were established in 1940 and have had Pastor Jewell as our sole pastor for 40 years. We are a diverse congregation of 20 people who love one another and enjoy worship and weekly Bible study. We see a potential for growth in the area for the reformed faith.

Our church seeks a full-time pastor. As we are presently able to offer 50% of a full-time minister's compensation package, we seek a pastor who is willing to raise the remainder of his financial support to create a full-time compensation package. We trust the Lord that He will grow Faith Presbyterian Church within five years to financially support a full-time pastor.

Please email applications to Steven Kalman at sekalman@gmail.com or mail to Steven Kalman, Pulpit Committee Chairman, 208 Wedgewood Ct., Galloway NJ 08205. You can also visit our website at <https://faithpresbyterianpca.org>.

Sincerely,

Faith Presbyterian Church of Northfield Pulpit Committee
