Senior Pastor Position

After the honorable position of our pastor of 22 years, Lakeside seeks an experienced, relational shepherd gifted in preaching and teaching. A warm and welcoming church honoring historic Reformed values, we offer a blended style service with traditional hymns and contemporary praise songs to serve a variety of preferences and ages.

Our Mission Field

Located in the heart of North Texas, Lakeside serves the Mid-Cities area of the Dallas/Fort Worth Metroplex, a collection of suburban communities in Northeast Tarrant County situated between Fort Worth, Texas, and the Dallas/Fort Worth International Airport. With a population of over 300,000, these communities consist of mostly well-educated, middle to upper-middle class populations with a median age of 40. These communities all have easy access to shopping, restaurants, amateur and professional sports,
and excellent public and private schools. Our physical location is on the west side of the City of Southlake.

Candidate Attributes and Requirements

The requirements Lakeside seeks in our next pastor:

- Five years minimum experience in pastoral ministry, with an emphasis on preaching and teaching.
- Practice expository preaching of God’s Word, regularly presenting the Gospel in an insightful, challenging, and engaging manner.
- Possess excellent communication skills in order to present the Good News in a manner that people from all levels of Christian maturity can understand.
- Exhibit strong leadership skills with attentive humility; a clear leader who listens well and seeks to learn from the wisdom and experience of others.
- Be comfortable, with love and humility, in taking Biblically based public stands, as necessary, on the moral issues of our day, such as abortion, homosexuality and same-sex marriage.
- Support and nurture Lakeside’s desire to aid and encourage those taking the Gospel to the world and to our local community.
- Requested by our covenant children, our new pastor should be “smart,” “taller than us,” and “wear bowties.”
