

Nestled in the valley under majestic Mount Rainier sits a newly renovated building containing a weekly average of 120 souls. We are a faithful congregation of believers looking for a full time pastor to shepherd us. The ideal candidate would build upon a conservative and fundamental foundation in accordance with the Bible, The Westminster Confession of Faith, and the Constitution of the Bible Presbyterian Church. Currently, the congregation is composed primarily of families with young children, not yet graduated from middle school, and the next largest demographic being retirees.

The Tacoma Bible Presbyterian Church (<http://tacomabpc.org>) recently moved into a working class urban neighborhood in Tacoma WA. We have just finished a major overhaul of the building and are now ready to reach out to those around us. In addition to several fellowship ministries, we have a thriving private Christian elementary and middle school ministry (Heritage Christian School).

We are looking for a man with a vision to lead us in glorifying God and enjoying Him. We would consider applicants interested in either a senior or assistant/associate pastor position. This applicant should subscribe to the Westminster Confession of Faith and agree with the modifications as made by the Bible Presbyterian Church. Compensation and benefits will reflect regional cost-of-living and will vary based on experience. Please send your cover letter, resume, and references as attachments to TBPCsession@gmail.com Subject line should include "Sr Pastor Search"
