

LEXINGTON PRESBYTERIAN CHURCH

For God's glory, making disciples of Jesus as we worship, love, and serve

Children's Ministry Director (Full Time)

The Opportunity

Lexington Presbyterian Church (LPC) is located in the midlands of South Carolina. Historically a small agricultural town that also served as a suburban community to the state's capitol, Lexington has experienced tremendous growth over the last forty years. It is a thriving, family-oriented city with strong schools and a growing economy.

LPC has been present for much of that growth, transitioning from a small church plant to a solid church of 400-500 members. A hallmark of the congregation is a strong children's ministry which assists families in raising children who are disciples of Jesus.

The mission of our church is "For God's glory, we are making disciples of Jesus as we worship, love and serve." The Children's Ministry Director (CMD) is a critical part of the staff team. The CMD will work closely with the staff Ministry Director to align the ministry with our mission, producing young disciples who are grounded in a gospel-centered and reformed view of the Bible. The person who fills this position will be responsible for assisting the formation of children from nursery through fifth grade.

The following characteristics will be required in the Children's Ministry Director:

- A vibrant, living relationship with Jesus
- Love for children and a desire to see them grow to be disciples who make disciples
- Strong administrative and communication (oral and written) abilities
- Proven track record of recruiting and sustaining ministry teams/teachers
- Understanding of child development and ability to teach appropriately
- A gospel-centered view of the Scriptures and agreement with the Westminster standards
- A servant posture toward families and staff
