## Overview of Cornerstone Presbyterian Church

Cornerstone exists to glorify and enjoy God by growing a loving body of faithful disciples that is redeeming Southern Maryland and the world for Jesus Christ. We are a gospel-centered, kingdom driven, prayer-inspired, incarnate authentic community. Cornerstone is a dynamic congregation of young families with a total membership (adults and children) of ~550, where 40% of our membership have joined by adult profession of faith or reaffirmation of faith after a long absence from church involvement. Our Sunday attendance averages about 380 and has grown 58% in the last five years. God has positioned Cornerstone to multiply and send disciples around the globe by locating us in a transient community (50% turnover every three years due to job transfers). Yet, however long God has someone at Cornerstone (on average about 5 years), we believe that they are with us during this season of life for the multiplication of disciples, the redemption of God's people, and the restoration of this community. Cornerstone is also actively engaged in restoring brokenness around our community through our transformational ministries and around the world through very active missions involvement.

Cornerstone is located in California, Maryland, beautifully surrounded by the Chesapeake Bay, Potomac River, and Patuxent River. Our members are principally employed by the Naval Aviation Systems Command at Naval Air Station Patuxent River (NAS Pax River). NAS Pax River is the US military's premier aviation research, development, and testing complex, but its workforce, surprisingly, is only 10% active duty military. In addition, we are located in a county where, according to thearda.org, 93% of residents have no evangelical affiliation, and 63% have no religious affiliation of any kind. God has positioned us with a great opportunity and calling to make disciples who are redeeming their spheres of influence!
