ABOUT NEWCITY CHURCH

NewCity Church (NCC) is a church plant of McLean Presbyterian Church. It is a vibrant, growing congregation of the Presbyterian Church in America (PCA) located in Tysons Corner, just outside of Washington D.C. Our mission is to excel in the three basic areas of worship, community, and philanthropy. God has grown our church significantly in the last several years, and we expect more growth with the recent acquisition of our new facility. We currently hold two Sunday services each week with the plan of adding a third service in the near future. More information about NCC can be found at www.newcityva.org.

WORSHIP AT NCC

Our worship music style aims to be blended and intergenerational, using a combination of contemporary and classical instruments to facilitate congregational singing in both traditional and modern hymns. The worship ministry at NCC currently includes a band, audio/visual team, and service volunteers (ushers, communion set up, etc.). Along with traditional hymns, our congregational music repertoire includes songs from Keith and Kristen Getty, Stuart Townend, Sovereign Grace Music, Indelible Grace, Hillsong, Chris Tomlin, and others.
