

Worship Director (Part-Time)

Job Description

The worship director oversees and coordinates all the details of the Sunday service and other events that require music and audio-visual technology. The worship director will report to the senior pastor.

Core Responsibilities

- Oversee three areas of weekly worship: music production, sound production, and visual production.
- Provide spiritual and practical guidance for each Sunday's worship service by organizing and directing teams of music performance and technical support volunteers.
- Oversee a midweek practice for the spiritual and skillful preparation of each worship service.
- Coordinate and lead music for weddings, funerals, and other special services.
- Oversee the worship budget and provide leadership for volunteer musicians, audio-visual technicians, and liturgists.

Day-to-day activities

- Ensure all musical and technical aspects of the service advance the service's theme.
- Oversee song and music selection, media preparation and presentation, and sound and lighting enhancements.
- Recruit, schedule, and coordinate instrumentalists, vocalists, and audio-visual technicians.
- Work with senior pastor on long- and short-term worship planning.
- Work with liturgy team in preparation and presentation of weekly readings.
- Recruit and supervise video technicians to support live video streams and other video production work.

Qualifications

Requirements: In-depth knowledge of music and music technology; a Reformed view of worship.

Skills:

- Choral, vocal, and instrumental arrangement and direction.
- Organization, administration, and interpersonal relationships.
- Use of worship technology, including audio systems, video projection, computers, and presentation software (PowerPoint, ProPresenter, Planning Center).

Competencies

- A love for God and a joy in His worship.
- A self-starter and team player with a positive attitude.
- An enthusiastic presence for leading worship.
