

ALEXANDRIA PRESBYTERIAN CHURCH

STAFF POSITION DESCRIPTION

Title: Director of Music Ministries

Context: Transformational worship of our Worthy God is at the center of the community at Alexandria Presbyterian Church. We strive to invite others through the power of the Holy Spirit into an awe-inspiring and intimate dialogue with God the Father and His precious Son Jesus. Rejoicing in the Gospel, we are transformed by its power and respond with grateful hearts in service to our God and world. We long to taste the glory of God in such an astonishing way that our city will be drawn to the majesty and mercy of our great God. We desire our worship to serve as an authentic model of the possibilities for transformed individuals, families and a city encountering the glory and grace of God.

Music is a vibrant language used in our worship that invites the congregation to individual and corporate worship. Congregational singing is vigorous. An instrumental and vocal ensemble leads the congregation in songs of praise, confession and response. Both the adult and children's choirs present a repertoire that includes the classic, spiritual and contemporary. Handchimes are used on special occasions. Words used to describe our musical offerings in worship: Spirit-led, Scripture-based, diverse, blended, improvisational, participatory.

In brief, **we are a Gospel-centered church, reformed in our theology, and presbyterian in our government.**
