

Grace Reformed Church, Orange City, IA
June 24, 2021

Pastoral Position Announcement:

Our Community:

Orange City is a small rural town in Northwest Iowa with a strong Dutch Heritage and conservative Christian roots. Orange City is home to the annual Tulip Festival and Northwestern College. There are multiple schools from primary to high school, (both public and private), parks, and swimming pools. Orange City is home to multiple Reformed denominations that are well attended on Sunday. Our concern for the community is the increasing liberality of the churches and the influence of the growing LGBTQ presence within the community.

Our Church:

Grace is a small church made up of two extended families. We have a desire to be a faithful reformed witness in a day and age of reformed church compromise. We are committed to reformed orthodox doctrine including a literal six day creation worldview, God's design for marriage, the family, and gender, adhering to the confessions and standards, and speaking up on political issues that affect our church and society. Our church is invested in having both morning and evening worship services, interactive family Sunday school, the practice of hospitality, and a strong emphasis on missions. We believe in Biblically sound lyrics in our worship music which can include contemporary songs as well as hymns.

Our Mission:

It is our desire to have a church with mostly expositional preaching that is faithful to the Gospel, to the Westminster Confessions, and the Three Forms of Unity. We are seeking as a pastor an individual who has a friendly and outgoing nature who can help us in the growth of our church while also preaching biblically.
