

DIRECTOR OF WORSHIP MUSIC

OVERVIEW

[New Life Presbyterian Church \(PCA\)](#) is looking for a part-time Director of Worship Music who will work alongside the pastor to cast vision for the music ministry at New Life and to oversee and lead the musicians and audio/visual team for Sunday morning worship services.

New Life is a church of 200-250 people who are committed to rich corporate worship, strong bonds of fellowship, service to our community, discipleship under the authority of the Scriptures, and evangelism (particularly through missions and church planting).

New Life is located in Yorktown, a small community near Muncie, Indiana. The Muncie area is home to Ball State University and is an area that boasts of cultural and recreational activities, an affordable cost of living, and close proximity to both Indianapolis and Fort Wayne.

This is a part-time position, with the hope of expanding to full-time as the Lord allows. We are also open to discussing ways in which the current position could be expanded to include other pastoral responsibilities that would justify a full-time position.
