We are a gospel-centered, Christ-exalting, Bible-expositing church of about 50 adults and 30 children (about 10 are in the youth group). We were planted in 1991 as an independent Korean-American ministry (without a Korean-speaking parent church). Since then, we have become a multi-ethnic, predominantly Asian congregation. We have many young families with children, and we seek to raise up the next generation as disciples of Christ who walk with the Lord.
