

# Grace Presbyterian Church

## Senior Pastor Profile

Grace Presbyterian Church (GPC) desires that our next senior pastor be a spiritual man of God, an expository preacher, evangelistic, leader of leaders, visionary, demonstrating high emotional intelligence, and focused on missions both locally and globally.

In addition, we desire a man of strong character, committed to God's Word, focused on a strong local church, who communicates effectively, is comfortable in his own shoes, humble, hospitable, has a spiritually healthy family, and able to speak God's truth on the hard issues of our day. We prefer that our next senior pastor has had quality experiences that can be leveraged to shepherd our congregation, seeing GPC as a destination, not a waypoint.
