

# CROSSGATE CHURCH

## **Assistant Pastor of Youth and Families**

Crossgate Church is seeking an assistant pastor to focus on leading and developing the student ministry as well as assisting in the overall ministry of the church as we seek to “grow true disciples.”

The candidate must reflect an integrity of personal character and professional competence, loving God’s Word and God’s people with a heart to serve. He will aim, in reliance on God’s grace, at hearts changed by the application of the gospel and not mere information dissemination in theology or behavioral modification in ethics. The candidate must be able to appreciate and enjoy a wide variety of people, perspectives, and backgrounds, while wanting to point all winsomely to Jesus in the Bible.

The candidate must be ordained or moving toward ordination in the PCA. He would be expected to work with and under the senior pastor in caring for the congregation, assisting in worship, preaching, attending Session and staff meetings, reaching out to students and their families as well as young adults, teaching and equipping the youth, and further developing the student ministry, in addition to prayer, study of the Word, and reaching out in the community.
