

MADISON HEIGHTS CHURCH

CHILDREN

DIRECTOR OF CHILDREN'S MINISTRY

Job in 3 WORDS: Cultivate Covenant Connections.

Do you know that children's ministry is more than pizza & puppets? Do you know that being MORE THAN pizza & puppets doesn't mean you dislike pizza OR puppets (okay, maybe puppets, but you get the idea...)? Can you curate a curriculum that brings kids face to face with Jesus? Can you inspire volunteers to dream of seeing kids who never remember a day they didn't love Jesus or His Bride? Can you make teaching engaging and deep? Can you lead leaders? Can you recruit volunteers? Can you work 40+ hours a week and love it?

The official job description says, "*Leading and Inspiring others to cultivate covenant connections is your job. Connecting with children, parents and church members is your passion. Your goal is to connect covenant children to Jesus, connect the church family with our covenant children and resourcing parents to lead the most important children's ministry program at MHC: parenting. Success will look like our Covenant children entering Middle School with a true understanding of what it means for them to worship, connect and serve.*"
