

# Church Planting in South Asia

Longer, Asia - South

## OPPORTUNITY DETAILS

In a South Asian megacity of 10 million people, one of MTW's national partners is planting an English-speaking Presbyterian church among urban professionals. He is looking for a teaching elder or worship leader to assist him with planting and leading the church. This church plant, functioning as a critical foothold in a country desperately in need of the gospel, is a major strategic priority for both the team and for MTW's work in the Asia-Pacific region.

Come join this audacious work and dare greatly for the gospel.
