Campus Ministry

Chile, Vina del Mar, Longer, Americas - South

OPPORTUNITY DETAILS

The Greater Valparaíso Bay Area (including Viña del Mar) in Chile is home to 11 institutions of higher learning. The students at these institutions are the future of their country, and they are in desperate need of the hope of the gospel.

MTW's team in Viña del Mar is looking for a campus minister to head up the initiation and development of campus ministry in the 11 institutions of higher learning in the bay

area. We need someone who is passionate about building relationships with students, and good at sparking gospel conversations, and discipling new believers. Reaching the universities contributes to the advance of the current church plants and mercy ministry in the area, including our ministries with people who have disabilities. We see this as an important part of our overall strategy.

If you have a heart for university students and a desire to work cross culturally with a kingdom-minded ministry, join our team in Viña del Mar, Chile.
