

# Campus Ministry in Sub-Saharan Africa

Blantyre, Bulawayo, Cape Town, Kampala, Malawi, South Africa, Uganda, Zimbabwe, Longer, Year-round Internships, Africa

## OPPORTUNITY DETAILS

The need for campus ministers is great! Sixty percent of Africa's population is under the age of 25 and many of these young people are enrolled in African colleges and universities. Reaching these students through a campus ministry connected to the local church can be one of the best ways to reach and disciple the nations of Africa.

We need pastors to engage in campus ministry, serving long term alongside our

local church partners in many possible locations: Cape Town, Durban, and Johannesburg, South Africa; Bulawayo, Zimbabwe; Kampala, Uganda; and in Blantyre and Lilongwe, Malawi.

If you have a heart to reach students, but you aren't a pastor, there are also short-term or internship opportunities for college students and recent graduates in all these locations.
