

Director of Operations for the MTW Cambodia Team

Cambodia, Phnom Penh, Longer, Asia - Southeast

OPPORTUNITY DETAILS

Use your project management gifts to give critically needed support for church planting! The MTW-Cambodia team needs a director of operations who would be responsible for the team finance and accounting, internal and external communications for the team, planning and hosting of short-term teams, and the team office. You'd provide oversight and accountability for team members and help in the decision making process relating to

operations.

The team is diverse with diverse ministries but unified in seeing churches planted in Cambodia. There are team members from different countries (US, Cambodia, Korea, Philippines); different backgrounds (engineers, doctors, teachers, business people, pastors); different life stages (singles, married with families, grandparents) all working together to bring the gospel to Cambodia. Come join the family!
