

Seasoned Leadership Needed in Sub-Saharan Africa

Addis Ababa, Bulawayo, Cape Town, Kampala, Ethiopia, South Africa, Uganda, Zimbabwe, West Africa, Longer, Africa

OPPORTUNITY DETAILS

MTW is looking for senior leaders with both field and pastoral experience to fill multiple team leader or country director positions in the countries of Uganda, South Africa, and Zimbabwe. In addition, a regional director (who will live in either Uganda or Ethiopia) is needed to oversee our work in East Africa.

We are also looking for two teaching elders and one ruling elder to teach at the Bible Institute in Sierra Leone, where we have

seven pastoral interns that need to be prepared for ordination.

All of these positions are critical for the impact we want to see in East and Southern Africa in the next five to 10 years in the areas of church planting, campus ministry, and leadership development in partnership with nationals.
