

Riverside Church began in Beaumont, Texas in 2016 as a small group seeking gospel centered community. We were blessed to have Pastor David Young come along side us and in 2017 Riverside became a church plant in the PCA. That very same year God provided us with a permanent home in the old Westminster Presbyterian Church in downtown Beaumont which we continue to share with Young Life and Veritas Classical Academy.

Gospel Centered Community is a core value at Riverside. Whether inviting a friend to one of our Bible studies, leading music, reading Scripture, or prayer on Sundays, volunteering with the children's ministry, or partnering with local charities to meet the needs of the community, everyone at Riverside is privileged to serve the Kingdom of God through their particular gifts and talents.

Riverside strives to be gospel speaking, neighbor loving, and community transforming. We are eager to find a pastor who is zealous for the Gospel and who can disciple, teach, and train our church to share the good news of Jesus Christ with Beaumont and the neighboring communities.
