

## [All Saints Reformed Presbyterian Church - Richmond, VA](#)

### **Purpose:**

- The purpose of the internship is to provide ecclesiastical oversight of a man who is in the final stage of preparation for ministry. It is a time for the church to examine a man closely to see if he does indeed possess the gifts and calling of a minister, and therefore he will be intimately involved in all aspects of the church's ministry. It is also a time to reveal, and hopefully compensate for, any lack in his education that is not covered in normal seminary courses.
- His primary duty is to learn ministry, not to do ministry. He is not another "hand on deck" but is in fact being ministered to and trained by the pastors and session. This will of course mean hands-on training as described below.
