

Senior Pastor Job Description

Hillcrest Presbyterian Church (PCA) in Volant, Pennsylvania, is seeking a full-time Senior Pastor. We are a 150+ member congregation in rural Western Pennsylvania uniquely situated near three college campuses. Our weekly Sunday activities include Sunday School, Morning Worship, Evening Worship, and Grove City College Fellowship. We have prayer meeting and youth programs on Wednesday evenings.

We are a congregation who is deeply committed to the faithful, expository preaching of God's Word, as this is the foundation from which all other ministries in our church will grow and flourish.

To that end, we desire a Senior Pastor who will work alongside an Associate Pastor so that both may lead our congregation in faithful worship through the study and application of Scripture with a commitment to Reformed Doctrine. We further believe that an indispensable role of a Senior Pastor is to lovingly shepherd our congregation with discipleship training and spiritual mentoring, provide pastoral care, and possess a genuine heart to minister to each person in the congregation.

There are areas of growth that we would like a Senior Pastor to develop in our congregation, and those areas include the following:

- Mentoring and discipleship, as well as fostering fellowship within the body.
- Encouraging more involvement in the area of local and global missions, including evangelism and outreach in the local community to hurting population groups.
- Counseling members of the congregation, especially those suffering from grief, marital conflict, and mental illness.

We currently have a thriving ministry at Grove City College, but we would like to expand this ministry to other local colleges. Additionally, we would like to provide continued spiritual support to those younger members of our congregation who are currently away in college or working in the community as young professionals. We envision a Senior Pastor as one who has the ability and desire to spearhead these efforts, with the assistance of the Session and participation of the congregation.

Send a resume, MDF, Christian testimony and Statement of Faith, as well as 2-3 sermons (audio or video links) to: hillcrestpca1975@gmail.com
