

2023 Youth Ministry Summer Internship

West End Community Church is seeking college-aged men and women who are committed to following Christ and have a desire to care for students to serve in our youth ministry for the summer! A summer intern has the unique opportunity to invest in the lives of our young people and have an incredible impact on advancing the kingdom for Christ. While you are serving our students, our desire is also to offer an encouraging environment that enhances and develops your skills and gifts as you discern the Lord's calling on your life.
