

Church of the Atonement
Summer Student Internship 2023

Description

The Student Ministries summer intern position is intended for someone who desires to partner with the Holy Spirit's work in and among students, senses a desire to serve in student ministry with and among families and the church, and seeks to grow in their ministry capacities while having a great time with great students!

The summer intern will serve in a local church student ministry aimed at prioritizing the role of discipleship among students alongside other existing ministries in the church. There will be opportunities for growth in leadership, teaching, relational discipleship, community, and intergenerational relationships. The intern will benefit by gaining experience in student ministry, working with a great team, and learn do ministry alongside families to see students grow in their faith and maturity in Christ.

The internship will benefit Church of the Atonement by having an intern serve as an additional Christ-following role model for our students, encouraging their maturity in Christ. Our belief is that our students will thrive as more and more Christ followers surround them and encourage their growth through relational discipleship. Interns also provide needed support for our regular volunteers and leaders that serve throughout the year.
