

## FORMULA FOR APPOINTMENT TO NOMINATING COMMITTEE AND RPR

Please follow the guidelines below carefully, so that all presbyteries will be electing the proper type of elder to each Committee, and there will be equal representation of ruling elders to teaching elders (*BCO* 14-1, 10). Terms on the Nominating Committee and Review of Presbytery Records (RPR) Committee are 3 years, ending after General Assembly in year noted under "Class". If, for any reason, a presbytery must replace its previously appointed representative, the same type of elder should be appointed.
